

# MAESTRO

## FLE22 - LED FLOODLIGHT

The Maestro from Vision Lighting is specifically design to provide excellent illumination efficacy.

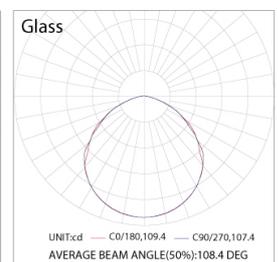

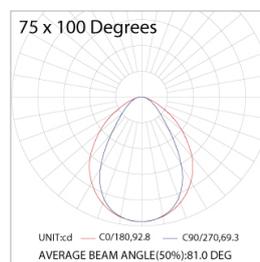

Weatherproof, the Maestro is constructed from a smooth, seamless and compact aluminium body to IP65. Incorporating a high transmittance polycarbonate lens the Maestro offers a variety of beam angles.

Incorporating quality LED componentry, the Maestro is available in a variety of wattages and includes a  $\pm 90^\circ$  adjustable mounting bracket to enable precise aiming for exterior floodlighting applications.

### PRODUCT SPECIFICATIONS

<b>Wattage:</b>	50W / 70W / 90W
<b>Lumens:</b>	5750Lm / 8050Lm / 10350Lm
<b>Efficacy:</b>	115Lm/W
<b>CCT:</b>	4000K / 5000K
<b>CRI:</b>	>Ra70
<b>Material:</b>	Aluminium
<b>Diffuser:</b>	Polycarbonate
<b>Colour:</b>	Black
<b>IP Rating:</b>	IP65
<b>IK Rating:</b>	IK07 with PC lens
<b>Mounting:</b>	Trunnion Bracket
<b>Driver:</b>	Meanwell
<b>Lifetime:</b>	>50,000hrs
