

DELISH

HLE16 - FOOD-GRADE LED HIGHBAY

For Food-Grade Processing Applications

Designed specifically for food processing plants, the Delish LED Highbay Luminaire from Vision Lighting delivers in both form and function.

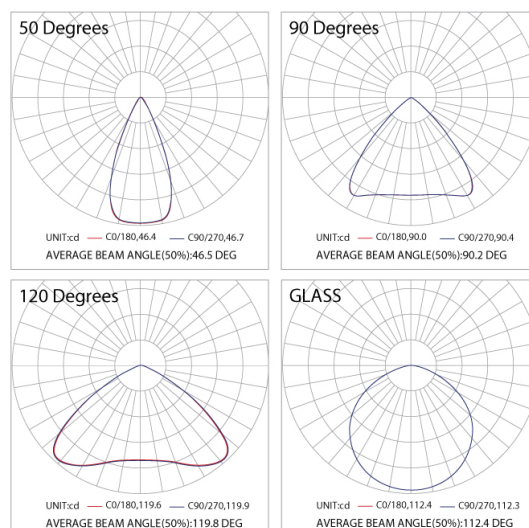

Featuring a seamless construction with no glass or exposed screws, the Delish's smooth, clean lines, coupled with a high-quality gasket sealing to IP66, make it the perfect solution for food applications where regular hosing and cleaning is required.

Available in 4 beam distributions and with an efficacy of up to 140Lm/W, the Delish ensures continued efficiency for its L70 > 50,000 hour life.

PRODUCT SPECIFICATIONS

Wattage:	100 / 120 / 150 / 200W
Lumens:	14,000 - 28,000 Lm
Efficacy:	>120Lm/W
CCT:	4000K / 5000K
CRI:	>Ra70
Beam Angle:	Multiple Options (See diagram)
Material:	Aluminium Alloy
Lens:	Polycarbonate
IP Rating:	IP66
Mounting:	Chain
Driver:	Meanwell
Light Source:	Nichia
Lifetime:	L70 > 50,000 hours
