

# CLASSIC IP44

## PLE55 - PRISMATIC IP44 LED TROFFER

### *Simple Efficiency*

The Classic IP44 from Vision Lighting is the perfect complement to your office or T bar application.

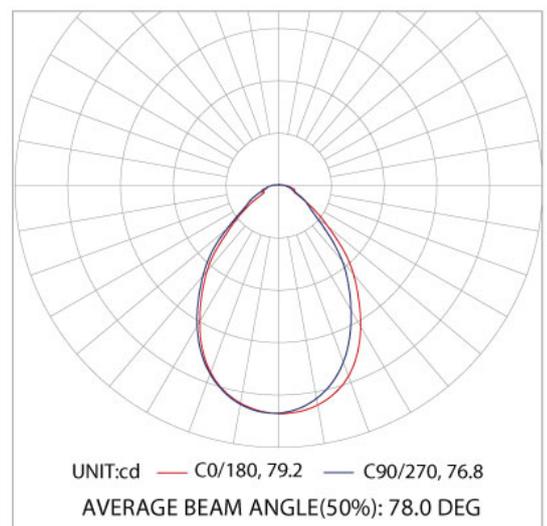

Constructed from a cold rolled steel housing with gloss white powder coat and IP44 sealed gasket, the Classic IP44 is finished with an anti-glare prismatic diffuser to ensure visual comfort.

The Classic IP44 is ideal for a range of lighting applications including office, retail, healthcare and education.
